Living Benefits Life. The Living Life Benefit!
Most people purchase life insurance to gain peace of mind in knowing that they are helping their families become financially secure when they die. With Living Benefits Life, members can gain added peace of mind for themselves and their families before they die should they become Terminally Ill. A Terminal Illness is a condition where your life expectancy is 24 months or less. This must be confirmed in writing by a physician licensed to practice in the United States, and supportive evidence may be required by the Insurance Company.

Treatment, nursing care, hospitalization, nursing home confinement, hospice care and other expenses associated with a Terminal Illness can cost thousands of dollars. Not only could a Terminal Illness cause large medical bills, it could also force your income to stop.

With the Living Life Benefit you may elect to receive up to one-half of the total benefit amount of your Group Term Life Insurance Plan prior to death if you are diagnosed as being Terminally Ill. (These living or "accelerated" benefits may be taxable, so please consult your personal tax advisor.*) Then, the amount of your total benefit that is not used as part of your Living Life Benefit will be paid directly to your beneficiary upon your death.

If you do not use the living or "accelerated" benefit provision of this Plan, your full benefit would be paid to your beneficiary upon your death. Your beneficiary will not have to pay federal income taxes on these benefits based on current tax laws (please consult a tax advisor for further information*).

The Living Life Benefit is a practical way to help complement your existing insurance plans including health, disability and life. It would pay you a valuable benefit at a time when high medical bills and loss of income could put your family's financial security at risk. And the benefits are paid directly to you in a lump sum payment for you to spend however you wish.

*Accelerated benefits may be taxable. These materials are not intended to provide tax, accounting or legal advice and cannot be relied upon for any such purpose. We recommend that you consult with a qualified tax advisor. Accelerated benefits may affect your or your family's initial or continued eligibility for public assistance, such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), we recommend that you consult with social service agencies with any questions regarding eligibility for public assistance.

Eligibility
You and your Spouse are eligible for coverage if you are a member of the Association, under age 65. Spouse cannot be legally separated or divorced from you. Your dependent children are also eligible for coverage if they are under 26 years of age and primarily dependent on you. When you/your spouse are both Eligible Members:

1) coverage may not be duplicated by applying as dependents of each other; and 2) coverage for an Eligible Dependent Child may be requested by either you or your spouse, but not both.
No Eligible Child will be covered unless either the Eligible Member or the Eligible Spouse is covered.

This coverage is available only for residents of the United States excluding ID, MN, MT, NH, OR and WA.

How much coverage can I apply for?
If you are under age 65 you have the opportunity to apply for up to $250,000 of life insurance protection in $10,000 units for yourself and for your Spouse, and up to $2,500 for each of your eligible children. Children 15 days to 6 months can be covered for $500.

Acceptance into this plan is subject to medical evidence of insurability as determined by The Hartford**. Depending on your age, the amount of coverage you request, and your answers on the application, a medical examination, medical test(s), or other evidence of good health may be required. Any exams/tests requested by the company will be conducted at your convenience and at no expense to you.

IMPORTANT FEATURES:

Reasonable Cost

Your premiums are affordable through the economies of centralized group administration.

Waiver of Premium for Disability

If you are Disabled before you reach age 60 and remain disabled for six consecutive months, your insurance will remain in force without further premium payments as long as you are disabled or attain the policy age limit. When your disability ends, premium payments resume.

Disabled means you are wholly and continuously prevented from: 1) performing any work or occupation for wage or profit for which You are reasonably qualified or trained; or 2) if not employed, engaging in the normal activities of a person of like age and gender in good health; as a result of injury or sickness.

If You are in an occupation that requires You to maintain a license, Your failure to pass a physical examination required to maintain that license does not alone mean that You are disabled.

Your Choice of Beneficiary

You may name anyone as your beneficiary. You may change your beneficiary at any time by writing the Insurance Administrator. Upon proof of death, your beneficiary receives the benefit in a lump sum or monthly installments, whichever the beneficiary wishes. You are automatically the beneficiary of your children's insurance. If you do not name a beneficiary the insurance amount will be paid to your survivors, in equal shares, to first your spouse; children; parents; brothers and sisters or to your estate.

Effective Date

Your coverage will become effective after your application is approved by The Hartford and the receipt of the first month premium has been received by the administrator.

Renewability

As long as you pay your premiums, you remain a member of the Association, and the Master Policy is not terminated by the Insurance Company, your coverage cannot be cancelled. Your insurance is renewable to age 90. Your dependents are insured as long as your coverage remains in force, their premiums are paid and they continue to meet the eligibility requirements of the Plan.

Conversion Rights

You may convert your group life insurance if your coverage ends for any reason except non-payment of premium, for up to the same amount of life insurance to any individual life policy, other than term, underwritten by the Insurance Company. Complete conversion rights are outlined in your Certificate.

Exclusion

Suicide while sane or insane is not covered during the first two years you are insured. During the first two years of coverage under the Policy an amount equal to the premium paid for coverage to the date of death will be paid. During the two years immediately following an increase in coverage under The Policy, The Hartford will only pay the deceased person's Life Insurance Benefit in an amount equal to the amount of Life Insurance in force prior to the increase, plus an amount equal to the premium paid for the increase to the date of death.

Termination

Coverage will end on the earliest to occur of: 1) the date The Policy terminates; or 2) the Premium Due Date on or next following the date You attain the Policy Age Limit; 3) the date You are no longer in a class eligible for coverage, or the class is cancelled; or 4) the Premium Due Date that You fail to pay any required premium, subject to the Individual Grace Period.
